Financial Disclaimer

Dear Patient,

Welcome to **River Falls Chiropractic**! We are pleased that you have chosen our clinic to address your healthcare needs. We would like to take a few minutes to explain what you can expect from your insurance company as well as what we in turn expect from you.

Your benefit under your insurance plan for chiropractic care may not cover all of your visits to our office. You are financially responsible for co-payments, co-insurance and deductibles for covered services. Services exceeding benefit limits or considered maintenance or preventative are not reimbursable by your plan. You are also financially responsible for all non-covered services. Please feel free to discuss any questions with our accounts department.

If your doctor feels that care will not be a covered expense based on the type of care you are receiving, it may be in your best interest to discuss one of the several financial plans we have available.

- If at anytime there is a change in your insurance benefits it is **YOUR RESPONSIBILITY TO NOTIFY THE FRONT DESK. WE CAN NOT BE RESPONSIBLE FOR BACK BILLING IN THESE SITUATIONS.**
- Please understand that any benefit quoted to you by this office is **NOT A GUARANTEE** that your insurance co. will make payment on your claims.
- **YOUR CO-PAY, CO-INSURANCE, AND OR DEDUCTIBLE IS DUE AT THE TIME OF YOUR VISIT.** We welcome payments in advance by cash, check, Visa, MasterCard, American Express, and debit cards.

Also note: If you are filing your claims through AUTO INSURANCE or WORKMAN'S COMPENSATION, the insurance may not settle in your favor or your case may be denied, at which point you will be responsible to pay your balance.

By signing this statement, you acknowledge you understand the services you are receiving may not be covered by your health plan, and in that situation, you would be 100% responsible for all charges incurred.

Maintenance Care Disclaimer Form

This brief handout defines the two phases of chiropractic care and explains which is covered through your health insurance. The "Maintenance" care phase is NOT covered through your health insurance. Any financial responsibility you may have for choosing to receive care in your maintenance phase will be reviewed with you by your chiropractor prior to receiving care.

When is chiropractic care covered by my health insurance?

Chiropractic care is covered by your health insurance plan if it for acute (short-term) care such as a recent injury, or for a condition where treatment offers lasting benefit or curative value

Is there a certain amount of treatment that is covered?

For most plans, the amount or length of treatment that is covered by insurance is not necessarily defined by the number of visits or types of treatment. Rather, the treatment is covered as long as it demonstrates significant, lasting, or progressive improvement to your condition.

When is chiropractic care NOT covered by my insurance plan?

Chiropractic care is NOT covered by your health insurance plan when you reach a certain point in treatment where chronic symptoms remain stable or where you no longer show progress in reducing these chronic symptoms through chiropractic care. At this point, you have reached what is called "maintenance" care.

How will I know if I have reached the end of covered care?

Your chiropractic provider will let you know when you have reached the point of "maintenance" care and will discuss further care options.

I understand that I have the right to refuse this care and that by signing this form, I will be fully responsible for the total billed charge(s) related to non-covered services.

Patient's Name: _____

Patient's Signature: _____

Date: _____

What happens when I am determined to have reached the end of covered treatment but I still want to have regular chiropractic adjustments?

You may continue maintenance treatment, but you must pay for it out of pocket. If you choose to receive chiropractic care beyond acute care, it is a self-pay service where you would be responsible for payment.

How will I know what maintenance care will cost me?

Prior to receiving maintenance care, your provider will have you sign a Financial Disclosure Form, letting you know in advance the cost of the elected services.

Is it possible to move from maintenance care back to chiropractic care covered by my insurance plan?

If you sustain a future incident or injury, your chiropractic care would meet the criteria for acute care and would be covered by your health plan, until that condition has reached a plateau level and does not provide any more lasting, curative value.

Who should I contact with questions?

Please contact your health plan's customer service department for any specific questions regarding your benefit coverage.

MISSED APPOINTMENT POLICY

Out of respect and consideration for our practice members, we kindly ask you to honor your scheduled appointment time. Please note that appointment space is limited daily and both of our doctors have waiting lists.

We understand unanticipated events occasionally occur. In our desire to be effective and fair to all of our clients' time, we ask you give a minimum 24 hour advance notice when cancelling an appointment. This allows the opportunity for someone else to schedule and utilize your valuable appointment space.

We are happy to excuse one missed chiropractic appointment with no penalty. If there is a second missed appointment, you will be charged a \$50 cancellation fee which is applied to your account. Insurance will not be billed for these charges. Cancellation fees are the responsibility of the patient and must be paid in full before the next visit.

Missed Clinical Nutrition appointments will be billed at \$75 for every 15 minutes scheduled.

I have read and understand the River Falls Chiropractic Appointment Cancellation Policy. I am aware that I will be charged for the missed appointment, and I agree to these terms.

I, _____, have received a copy of The Cancellation Policy.
